

Europass Curriculum Vitae

Personal information

First name / Surname	Daniele Santi
Address	14, via Giovanni Paisiello, 41122, Modena (MO), Italy
E-mail	santi.daniele@gmail.com
Nationality	Italian
Date of birth	June 12 th , 1983
Gender	Male

Occupational field **Medical Doctor, PhD**

Work experience

From 2005 to 2009	Football coach Soccer school of the PGF Brodano Society Vignola (MO), Italy
From 2009 to 2014	City Councillor Responsible for sports, wellness and promoting the city Vignola (MO), Italy
From 2009 to 2014	Medical Doctor Resident with fellowship in Endocrinology and Metabolism Unit and Chair of Endocrinology & Metabolism, Department of Biomedical, Metabolic and Neural Sciences, University of Modena and Reggio Emilia; Department of Medicine, Endocrinology & Metabolism, Geriatrics, Azienda USL of Modena, Italy
2013	Thesis Supervisor Unit and Chair of Endocrinology & Metabolism, Department of Biomedical, Metabolic and Neural Sciences, University of Modena and Reggio Emilia; Thesis Title: Gonadal function in young to middle aged HIV-infected men assessed by isotopic dilution-liquid chromatography-tandem mass spectrometry (ID-LC-MS/MS): preliminary results Graduate: Sara De Vincentis

October 2013, to date	Statistical Consultant and Medical Writer for FULLCRO S.r.l.
2014 to date	Expert on the Endocrinology at the Department of Biomedical, Metabolic and Neural Sciences. University of Modena and Reggio Emilia, Italy
2014 to date	Medical Doctor Unit and Chair of Endocrinology & Metabolism, Department of Biomedical, Metabolic and Neural Sciences, University of Modena and Reggio Emilia; Department of Medicine, Endocrinology & Metabolism, Geriatrics, Azienda USL of Modena, Italy
2015	Thesis Supervisor Unit and Chair of Endocrinology & Metabolism, Department of Biomedical, Metabolic and Neural Sciences, University of Modena and Reggio Emilia Thesis Title: "L'influenza dell'inquinamento ambientale nella provincial di Modena sull'infertilità maschile" Graduate: Chiara Ongaro 110/110 cum laude
2015	Thesis Supervisor Unit and Chair of Endocrinology & Metabolism, Department of Biomedical, Metabolic and Neural Sciences, University of Modena and Reggio Emilia Thesis Title: "Trattamento farmacologico dell'infertilità maschile: survey clinica, retrospettiva sulla gestione dell'uomo infertile" Graduate: Letizia Pescarolo 110/110
2016	Thesis Supervisor Unit and Chair of Endocrinology & Metabolism, Department of Biomedical, Metabolic and Neural Sciences, University of Modena and Reggio Emilia Thesis title: "Influence of probiotics on levothyroxine replacement therapy: preliminary results of a prospective randomized controlled trial" Graduate: Umberto Cattini 110/110 cum laude
Form September 2016 to date	Medical Writer for the European Journal of Endocrinology Journal Based learning program

Education and training

2002	High School-Leaving Certificate Liceo Scientifico "Mario Allegretti" - Vignola (MO), Italy 100/100 cum laude
October 1 st , 2008	Medical Doctor degree University of Modena and Reggio Emilia, Italy 110/110 cum laude Graduation thesis in Endocrinology on "Male hypogonadism and age: their influence on sleep-related erections" Advisor: Dott. Antonio R.M. Granata
February 17 th , 2009	Registration as Member of the Chamber of Physicians Chamber of Physicians of Modena, Italy
2012	Frequency at Laboratory of Molecular Endocrinology (EndoLab) Unit and Chair of Endocrinology & Metabolism, Department of Biomedical, Metabolic and Neural Sciences, University of Modena and Reggio Emilia; Department of Medicine, Endocrinology & Metabolism, Geriatrics, Azienda USL of Modena, Italy
2012	Completed the training course on health and safety at work (SicurMORE), D.Lgs 81/08. University of Modena and Reggio Emilia, Italy
December 04 th , 2012	Completed the course of BLSD – Basic Life Support Defibrillation Italian Resuscitation Council
2013	Completed the Postgraduate course in systematic review and Cochrane meta-analysis

July 01 st , 2014	University of Modena and Reggio Emilia, Italy																														
	Specialization in Endocrinology																														
	Unit and Chair of Endocrinology & Metabolism, Department of Biomedical, Metabolic and Neural Sciences, University of Modena and Reggio Emilia; Department of Medicine, Endocrinology & Metabolism, Geriatrics, Azienda USL of Modena, Italy																														
	Graduation thesis in Endocrinology on “Effects of chronic administration of Vardenafil on endothelial function in patients with type 2 diabetes mellitus. A longitudinal, randomized, placebo-controlled, double-blind, phase IIb, clinical trial”																														
	Advisor: Dott. Antonio R.M. Granata																														
	110/110 cum laude																														
2016	Certificate of Data Management for Clinical Research by Vanderbilt University																														
2016	Certificate of Mathematical Biostatistics Boot Camp by John Hopkins University																														
2014 to 2017	PhD degree in Clinical and Experimental Medicine																														
	University of Modena and Reggio Emilia, Italy																														
	Graduation thesis: “New insights in andrology: from phosphodiesterase-5 inhibitors effects to male infertility treatment”																														
Personal skills and competences																															
Mother tongue	Italian																														
Other language																															
Self-assessment

Skills and competences																															
- Good interpersonal skills																															
- Ability to work in a team and to interact with people																															
- Ability to work independently																															
Other skills																															
• Self-taught guitarist in a rock band • Teacher of ballroom dancing for children																															
Organisational skills and competences																															
11-12 November 2012	Local and scientific organization for scientific meeting “EnGiol-Modena, 11-12 November 2012”, with two grants obtained from Italian Society of Endocrinology (SIE) and “Fondazione Cassa di Risparmio di Modena”.																														
24-46 September 2015	President of Local Organization Committee for the 3th European Young Endocrine Scientists (EYES) meeting, held in Modena, Italy, with three grants obtained from Italian Society of Endocrinology (SIE), European Society of Endocrinology (ESE) and “Fondazione Cassa di Risparmio di Modena”.																														

Computer and technical skills and competences

Excellent knowledge of the following programs:

- Word for Windows and Macintosh
- Excel for Windows and Macintosh
- PowerPoint for Windows and Macintosh
- SigmaPlot for Windows
- SPSS for Statistical Analysis for Windows and Macintosh
- STATA for Statistical analysis for Macintosh
- Graphpad for Windows
- EndNote for Macintosh
- RevMan 5 for Windows and Macintosh
- Excellent knowledge of World Wide Web
- Excellent digital text management
- Excellent knowledge of databases for management of digital resources (MEDLINE etc.)

B driving license

Grants and prizes

“JOE Travel grant” for 300€ for the participation to 15th International Congress of Endocrinology and 14th European Congress of Endocrinology, Firenze 2012, by Journal of Endocrinology.

“ESE Meeting Grant” for 400€ for the participation to 15th International Congress of Endocrinology and 14th European Congress of Endocrinology, Firenze 2012, by European Society of Endocrinology.

“ESE Meeting Grant” for 400€ for the participation to 15th European Congress of Endocrinology, Copenhagen 2013, by European Society of Endocrinology.

Winner of the “SIE Award” 2013 for “Tiroxina e probiotico: accoppiata vincente?”

Assignee of certificate of merit for distinguished service in the field of national and international research, during the Opening Ceremony 838th academic year of the University of Modena and Reggio Emilia.

“ESE Meeting Grant” for 400€ for the participation to 16th European Congress of Endocrinology, Wroclaw 2014, by European Society of Endocrinology.

“Golden Communication Androyoung” for 500€ for the abstract send to the “XI Congresso nazionale della Società Italiana di Andrologia e Medicina della Sessualità”, 13-15 November, 2014.

Assignee of certificate of merit for distinguished service in the field of national and international research, during the Opening Ceremony 839th academic year of the University of Modena and Reggio Emilia.

“ESE Young Investigator Award” for 1500€ for the work send to the 17th Congress of Endocrinology, Dublin 2015, by European Society of Endocrinology.

SIE Award – Under 32” for 4000 € for best Italian researcher under 32 years in 38th National Congress of the Italian society of Endocrinologia, Taormina 2015

EAA travel grant for the 2nd International Meeting on Klinefelter Syndrome in Munster, Germany, 10-13 March 2016 of the European Accademy of Andrology

Assignee of certificate of merit for distinguished service in the field of national and international research, during the Opening Ceremony 840th academic year of the University of Modena and Reggio Emilia.

EAA travel grant for the “Educational course on the multidisciplinary approach to testicular cancer” in Rome, Italy, 30 November, 1st December 2016, of the European Accademy of Andrology.

Membership

2011 to date

- Member of the European Society of Endocrinology (ESE)

2012 to date	- Member of the Italian Society of Endocrinology (SIE) - Member of the Italian Society of Medical Andrology and Sexual Medicine (SIAMS)
2015 to date	- Affiliated member of European Accademy of Andrology (EAA)
Scientific Societies related activities	Member of the Committee “Young endocrinologists” of the Italian Society of Endocrinology (SIE) from 2012 to date. Member of scientific commission of the Italian Society of Medical Andrology and Sexual Medicine (SIAMS) from 2014, December, to date. Secretary for Emilia-Romagna of the Italian Society of Medical Andrology and Sexual Medicine (SIAMS) from 2015, January, to 2017. Member of AndroYoung commission of the Italian Society of Medical Andrology and Sexual Medicine (SIAMS) from 2016, December, to date.
Reviewer Activities	
2012 to date	Reviewer for the following journals: • American Journal of Reproductive Immunology • Andrologia • Andrology • Asian Journal of Andrology • Cellular Physiology and Biochemistry • Endocrine • European Journal of Endocrinology • Human Fertility • International Journal of Basic and Clinical Endocrinology • Journal of Clinical Endocrinology and Metabolism • Journal of Endocrinological Investigation • Journal of Environmental International • Journal of Pedriatic Genetics • Journal of Sexual Medicine • Molecular and Cellular Endocrinology • PeerJ • Reproductive Biology and Endocrinology • Reproductive Biomedicine Online
2017 to date	Member of the Editorial board of the peer-reviewed “Reproductive Medicine” journal http://www.mdpi.com/journal/reprodmed/editors

Santi D, Brigante G, Orlando G, Ciccarese M, Diazzi C, Guaraldi G, Carani C, Rochira V, Madeo B. "Ormoni sessuali steroidei ed osteoporosi HIV-correlata nell'uomo: bassi livelli sierici di estrogeni sono associati a riduzione della densità minerale ossea (BMD)". XXVI Convegno di Medicina della riproduzione, Abano, Italy 2011.

Santi D, Brigante G, Orlando G, Ciccarese M, Diazzi C, Guaraldi G, Carani C, Rochira V, Madeo B. "Sex steroids and HIV-related osteoporosis in men: low circulating estrogens are associated with impaired bone mineral density (BMD)". 35mo Congresso Nazionale della Società italiana di endocrinologia, Chieti-Pescara, Italy 2011.

Santi D, Madeo B, Carani C, Rochira V. "Bone mineral density and sex hormones in HIV-infected men". Incontro scientifico EnGiol-Modena, November 2011.

D. Santi, A. Guidi, A. Granata, M. Simoni, C. Carani. "Effects of chronic administration of Vardenafil in patients with type 2 diabetes mellitus on endothelial function. A longitudinal, randomized, placebo-controlled, double blind, non-sponsored clinical trial". XXVII Convegno di Medicina della riproduzione, Abano, Italy 2012.

Santi D, Brigante G, Diazzi C, De Vincentis S, Zona S, Guaraldi G, Simoni M, Rochira V. "Gonadal and Sexual Function in Young/Middle Aged Human immunodeficiency virus (HIV)-Infected Men" 37mo Congresso Nazionale della Società Italiana di Endocrinologia, XXXI Giornate Endocrinologiche Pisane. Pisa. Italy. 10-12 April 2014

Santi D, Giannetta E, Isidori AM, Vitale C, Aversa A, Simoni M. "Efficacy of chronic administration of phosphodiesterase type 5 inhibitor on diabetic endothelial dysfunction: a meta-analysis" II EYES meeting, Belgrade, 24-26 September, 2014.

Santi D, Giannetta E, Isidori AM, Vitale C, Aversa A, Simoni M. "Efficacy of chronic administration of phosphodiesterase type 5 inhibitor on diabetic endothelial dysfunction: a meta-analysis" XI Congresso nazionale della Società Italiana di Andrologia e Medicina della Sessualità, 13-15 November, 2014.

Santi D, Guidi A, Granata ARM, Pignatti E, Roli L, Zaza S, Bozic R, Carani C, Simoni M. Chronic, long term administration of Vardenafil improves endothelial function and corrects hypogonadism in patients with type 2 Diabetes Mellitus. A longitudinal, prospective, randomized, placebo-controlled, double blind, clinical trial. XI Congresso nazionale della Società Italiana di Andrologia e Medicina della Sessualità, 13-15 November, 2014.

Santi D, Guidi A, Granata ARM, Pignatti E, Bozic R1, Zaza S2, Roli L, Trenti T, Carani C, Simoni M. Chronic, long term administration of Vardenafil improves endothelial function and corrects hypogonadism in patients with type 2 Diabetes Mellitus. A longitudinal, prospective, randomized, placebo-controlled, double blind, clinical trial. 17th European Congress of Endocrinology ECE 2015, Dublin, Republic of Ireland, 16-20 May 2015

Santi D, Guidi A, Granata ARM, Pignatti E, Bozic R1, Zaza S2, Roli L, Trenti T, Carani C, Simoni M. Chronic, long term administration of Vardenafil improves endothelial function and corrects hypogonadism in patients with type 2 Diabetes Mellitus. A longitudinal, prospective, randomized, placebo-controlled, double blind, clinical trial. 38th National Congress of the Italian society of Endocrinologia, Taormina, 27-30, May 2015

Santi D, Giannetta E, Isidori AM, Vitale C, Aversa A, Simoni M. Chronic PDE5 inhibitors and endothelial function in men with T2DM: results from a metanalysis study 38th National Congress of the Italian society of Endocrinologia, Taormina, 27-30, May 2015

Santi D, Guidi A, Granata ARM, Pignatti E, Bozic R, Zaza S, Roli L, Trenti T, Carani C, Simoni M. Chronic, long term administration of Vardenafil improves endothelial function and corrects hypogonadism in patients with type 2 Diabetes Mellitus. A longitudinal, prospective, randomized, placebo-controlled, double blind, clinical trial. National Congress of the Italian society of Andrology, Napoli, 5-8, June 2015

Santi D, Vezzani S, Granata A, Roli L, De Santis MC, Baraldi E, Trenti T, Setti M, Simoni M. The influence of environment on the sperm quality: a comprehensive, retrospective, cohort study. IX European Congress of Andrology, Rotterdam, 20-23 September 2016

De Vincentis S, Vezzani S, Roli L, Trenti T, Simoni M, Santi D. Chronic intense physical activity changes the hormonal asset in female volleyball players. IV Meeting of European Young Endocrine Endocrinologists (EYES). Moscow, 22-24 September 2016

Santi D, Granata A, Pignatti E, Trenti T, Roli L, Bozic R, Zaza S, Rochira V, Carani C, Simoni M. Effects of chronic administration of the phosphodiesterase inhibitor Vardenafil on serum levels of adrenal and testicular steroids in men with type 2 diabetes mellitus. IV Meeting of European Young Endocrine Endocrinologists (EYES). Moscow, 22-24 September 2016

Santi D, Scaltriti S, Simoni M, Rochira V. Is serum estradiol (E2) really increased in patients with Klinefelter Syndrome (KS)? Results from a meta-analysis study. XII congresso nazionale SIAMS – Roma, 1-3 dicembre 2016

Proceedings of International Meetings

Granata ARM, Santi D, Caffagni G, Guidi A, Carani C. "Male hypogonadism and age: role on sleep-related erections" 9th International Congress of Andrology. Barcelona, 7-10 March 2009.

V. Rochira, G. Brigante, D. Santi, L. Zirilli, C. Diazzi, G. Orlando, C. Carani, G. Guaraldi. Prevalence and characterization of hypogonadism among men with human immunodeficiency virus infection: preliminary results. 12th European Congress of Endocrinology, Prague, Czech Republic, 24-28 April 2010. Endocrine Abstracts P531, 2010.

V. Rochira, D. Santi, G. Brigante, L. Zirilli, C. Diazzi, G. Orlando, C. Carani, G. Guaraldi. Prevalence and characterization of hypogonadism among men with human immunodeficiency virus infection: preliminary results. The 92nd Annual Meeting of the Endocrine Society ENDO2010, San Diego, CA, USA. June 19-22, 2010, CD-ROM Abstract Book, P2-466, 2010.

D. Santi, M. Beggi, G. Brigante, S. Zona, K. Luzi, G. Orlando, R. Rossi, P. Bouloux, G. Guaraldi, V. Rochira. Erectile dysfunction does not mirror endothelial dysfunction in hiv-infected patients. 13th European Congress of Endocrinology, Rotterdam, The Netherlands, 30 April-04 May 2011. Endocrine Abstracts, 26, P141, 2011. <http://www.endocrine-abstracts.org/ea/0026/ea0026p141.htm>
